Welcome to Week 5. Without even realising it, the term is half over! The children have settled in well to the new school year.

Last week we were very excited to receive the resources from the Woolworths Earn and Learn program. The students will benefit from a lovely variety of big books, as well as other classroom resources. Thank you to parents for collecting the coupons.

Unfortunately, the martial arts class yesterday was unable to be run as our instructor Andrew was unwell. We hope he is feeling better soon and look forward to next weeks lesson. In its place, the students, inspired by one of the new big books Warnayarra the Rainbow Snake did some beautiful artwork with Mrs Tucker and Mrs Clements.

Our students are experts at times tables as we combine skipping and tables each morning. Here is Mrs Rubeli and George getting involved in “tables practice”. This is just one of our many fitness activities.
